

New, easy and secure commission payment option!

Willing Beauty will now be offering a quick and secure payment option that includes a Willing Beauty Prepaid Visa® card linked to a new, low cost virtual card account. This is being made possible through our processing partner, PayQuicker. Now, when Beauty Advisors are paid commissions, funds will post instantly to your commission account.

You will be issued your Willing Beauty Prepaid Visa® card automatically by Willing Beauty when you are invited and complete your registration. You can use your Willing Beauty Prepaid Visa® card to make no fee purchases everywhere the Visa Debit symbol is displayed, the instant you are paid. We do not require, nor do we store, your sensitive banking information.
